Brave Kids Bold Cures is a Sanford Children's initiative supporting kids fighting cancer at Sanford Children's Hospital in Bismarck. Powered by our passionate community of supporters, Brave Kids Bold Cures helps ensure we have the resources and capacity to treat children with cancer closer to home. We assist families with expenses not covered by insurance, including travel, meals and lodging.

Tournament Coordinator: Brent Wetzel, 701-214-9818, brent.wetzel@nisc.coop
